- Hats and bandanas shall not be worn in the building. Any hat brought to school shall be removed before entering the building.

- No radios, tape players, CD/MP3 players, cameras are permitted without permission from the administrator
- Fidget spinners are not allowed unless approved by administration
- Clothing which promotes, violence, drugs or alcohol is not permitted.

Visitors:

All visitors, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school.

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag in a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

Cross-reference: ESS 8:30, *Visitors to and Conduct on School Property*

Parking:

The school has two locations available for school visitor parking.

Those dropping off and picking up children may do so through the front office located on the east side of the building during school hours.

Vehicles **MAY NOT** be parked or located in the bus lanes or fire lanes at ANY TIME. Fire lanes are clearly marked. Vehicles located in these locations may be ticketed and/or towed by the police. **At no time should you pass a school bus with the stop arm out even in the school parking lot.**

Animals on School Property:

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building administrator in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

Attendance:

Illinois law requires that whoever has custody or control of any child between six and seventeen years of age (unless the child has already graduated from high school) shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session. Illinois law requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

Cross-reference: PRESS 7:70, *Attendance and Truancy*

Student Absences:

There are two types of absences: excused and unexcused. Excused absences include: illnesses, observance of a religious holiday, death in the immediate family, family emergency, situations beyond the control of the student, circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, or other reason as approved by the superintendent/principal. All other absences are considered unexcused. Prearranged excused absences must be approved by the administration.

The school may require documentation explaining the reason for the student's absence.

In the event of any absence, the student's parent or guardian is required to call the school at 309-822-8550 before 8:00a.m. to explain the reason for the absence. If a call has not been made to the school by 10:00a.m. on the day of a student's absence, a school official will call the home to inquire why the student is not at school. If the parent or guardian cannot be contacted, the child's absence will be recorded as unexcused. Upon request of the parent or guardian, the reason for an absence will be kept confidential.

Absences – Excused and Unexcused:

Regular and punctual attendance in school is important to student achievement and success. Illinois School Code supports regular attendance through laws and funding based on average daily attendance.

Excused Absences:

- Illness or injury
- Death or funeral of close relative/friend or compelling family circumstances
- Medical or dental appointments
- Observance of religious holidays
- Judicial proceedings
- Absences approved in advance by the Superintendent/Principal (up to 5 days per year)
- Special cases approved by the Board of Education and/or Superintendent/Principal

Students who have an excused absence may make up the homework he or she missed according to the Make-Up Homework Policy.

Parents are discouraged from taking students out of school. Their absence not only affects your student's education, but it also affects the amount of revenue our school receives from the state. We would strongly encourage you to consider this when selecting vacation dates. If your child has thrown up, please do not send them to school. If your child has a fever, do not send them to school. A fever is defined as 100 degrees or more. **Students must be both fever and throw up free for 24 hours before returning to school.**

Unexcused Absences include but are not limited to:

- Failure to provide phone contact for a student absence
- Truancy
- Unapproved trips

In any event of an excused or unexcused absence, students are **NOT** allowed to attend/participate in school functions such as dances, plays, concerts or other extracurricular activities on the day they have been absent from school.

In order for a student to participate in evening/weekend extra-curricular activities, athletic activities or activities sponsored by the school, a student must be **IN** attendance for a minimum of one-half of the school day the day of the event or one-half of the school day prior to the weekend event. The Superintendent/Principal for special or unusual circumstances may grant exceptions.

Absence Policy: 

Students with poor attendance risk losing class credit and falling behind in the educational process. You may call the evening before the absence and record your message or in the morning after 7:30 a.m. a secretary will take your call. The call should provide the following information: Parent’s name, Student’s name, Teacher’s name (K-5)/grade level, reason for absence, and date(s) of absence. At that time, a parent can be informed whether the absence will be excused or unexcused. A parent can request any homework that the student may miss for that day. The available homework will be ready, in the office, after 3:00 p.m. in the afternoon. There is no guarantee that the classroom teacher will be able to have work ready for your student.

Riverview CCSD #2 will follow these requirements and notifications regarding absences:

- | | |
|---------------------------|--|
| 3 consecutive days absent | • Parents will be asked to provide a doctor’s note. This will be at the discretion of the Superintendent/Principal |
| 5 unexcused days absent | • Letter to parents/guardians informing them of the attendance policies and procedures |
| 9 unexcused days absent | • Maximum allowed for the school year
• Letter sent to parents explaining that further absences need to be accompanied by a doctor’s note in order to excuse the absence.
• Notice will be sent to the Truancy Officer at the Regional Superintendent’s office notifying them of possible chronic truancy. Contact will be made with both the student and the parents/guardian by the Truancy Officer. |

Note: Any student whose out-of-school suspension takes him/her over the nine day attendance limit will be given one more day of absence without a doctor’s note.

Cross-reference: PRESS 7:70, *Attendance and Truancy*

Release Time for Religious Instruction/Observance: 

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student’s parent/guardian must give written notice to the building administrator at least 5 calendar days before the student’s anticipated absence(s).

Students excused for religious reasons will be given an opportunity to make up any examination, study, or work requirement.

Cross-reference: PRESS 7:80, *Release Time for Religious Instruction/Observation*

Make-Up Work: 

If a student’s absence is excused, he/she will be permitted to make up any missed work, including homework and tests. The student will be permitted two days for every day absent to turn in the make-up work. The **STUDENT** is responsible for obtaining assignments from his/her teachers. Students who are **NOT** excused from school will not be allowed to make up missed work.

Cross-reference: PRESS 7:70, *Attendance and Truancy*

Truancy: 

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with a serious manner by the school and district.

Students who miss 5% or more of the prior 180 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

A student is considered truant when neither parents/guardians nor the school has a reason for his/her absence. The Police Department may investigate such cases. In addition, it should be known that according to Illinois School Code (105 ILCS 5/26-10) the person in custody of a minor child could be subject to a Class C misdemeanor and subject to imprisonment and/or fines for failure to enforce a minor's attendance.

Cross-reference: PRESS 7:70, *Attendance and Truancy*

Homework:

Homework is used as way for students to practice what they have learned in the classroom. The time requirements and the frequency of homework will vary depending on a student's teacher, ability and grade level.

Home and Hospital Instruction:

A student who is absent or whose physician anticipates his or her absence from school for an extended period of time, or has ongoing intermittent absences because of a medical condition, may be eligible for instruction in the student's home or hospital.

Should you not agree with the decision, you may, after the informal conference, request an impartial due process hearing.

Grading and Promotion:

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher or refer to Teacherease.

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. A student will not be promoted based upon age or any other social reason not related to academic performance.

Cross-reference: PRESS 6:280, *Grading & Promotion*

Academic Promotion and Retention Guidelines:

It is our sincere desire that each and every student be promoted at the end of a school year. However, there are occasions when it is in the best interest of a student to be retained. This should not be looked upon as something "bad", but rather what is best for the child. Students do progress at different rates. Retention in the current grade level is the final intervention that Riverview Grade School will utilize. Only when all other interventions have been unsuccessful and the student has not met academic requirements, will retention be considered.

Academic Remedial/Recovery Program:

Students who are failing a course or multiple courses are required to participate in one or more of the following options as determined by the classroom teacher, principal, and/or parent to facilitate improvement in the subject area/areas.

1. Conference to evaluate the student's strengths, concerns, and a plan of action to improve progress
2. Re-teaching sheets, study guides, peer tutors
3. Referral to Remediation Program
4. Referral to the RTI Team for an intervention plan in one or more of these areas:
academics, behavior, health, and/or attendance concerns.

- 5. Private tutoring and/or other
- 6. Saturday Remediation

At the beginning of the second semester, 8th grade students will be provided a contract that lists the requirements for graduation. The contract should be signed and returned, and a copy will be kept in the office. If the terms of the contract are not fulfilled, students will not be allowed to graduate, attend the final activity, or attend the 8th grade field trip.

If retention is being considered by school personnel, the parent/guardian will be contacted for a conference at the earliest possible indication of such a need. Though school officials will make the final decision about retention, input from parents/guardians will weigh heavily on the decision.

Retention will usually occur with primary age children (Kindergarten and first grade). However, any student who fails one or more subjects, based on their overall percentage for the year, is at risk of not having success at the next grade level and, therefore, will be considered for possible retention.

Any student, who is absent in excess of 5% of the last 180 school days and was not on homebound or hospital instruction, may be retained.

District 2 does not socially promote students. Certain academic and attendance requirements must be met to be promoted each year.

Arrival and Dismissal:

Arrival time:

Students arriving after 8:00a.m. are considered tardy/absent. Students may **not** enter the building before 7:30 a.m. Exceptions will be made for those students who have been requested to come in early by a teacher, and who are under the direct supervision of the teacher. Students who are dropped off early must stay in the office until 7:30a.m. before going to breakfast. If a student is dropped off early, the student will be placed in the Latchkey program and the parents will be assessed a fee.

Junior high students requesting to work with a teacher should not arrive before 7:30a.m. and must stop by the office for approval.

Dismissal times:

K-2	3:10 p.m.
3-4	3:13 p.m.
5-8	3:15 p.m.

Students who are not picked up at dismissal time will be taken to Latchkey and assessed a fee. Students are only permitted to stay in the building until 3:25 p.m. unless supervised by an adult or attending the Latchkey After School Program. This includes those students who are staying after school for an activity. They must go to the Latchkey After School Program and will be assessed a fee. Students who are attending the After School Program need to make prior arrangements with the office at least 24 hours in advance.

Drop off/pick-up zone:

Riverview Drive Door – Students may be dropped off and enter through the grade school end doors in the morning and must go directly to the Gym/Cafeteria. There is **NO PARKING** directly in front of this entrance. Please pull ahead to the end of the sidewalk so that many cars can drop off at once. If you must park, please use the parking lot across from this entrance and park in a parking space.

Riverview Drive Door – Students who are picked-up must exit through the grade school end doors. Students must wait inside these doors until their ride arrives. **Parking is not allowed in the fire lane.** Please park in a designated parking space while waiting to pick up students.

Playground Back Door – Students who are walkers must leave the building through the back door and across the playground in order to walk home. **Parents are not allowed to pick their child up behind the school.** Vehicles should not be parked behind the school during drop off and pick up times.

During the school day – Please schedule appointments before and after school. If a student must leave during the day, please enter the building through the office and sign your student out. When returning, please sign them back in.

RGS discourages changes to any daily routines for drop off and pick up of students. If a change needs to occur because of an emergency, we ask that you call the school office to make arrangements. **DO NOT EMAIL THE TEACHER.** Email is not checked regularly throughout the day. **Please call NO LATER than 1 hour prior to dismissal time with changes.**

Please DO NOT email or send notes to the teacher directly, as changes need to be approved by the office, and then bus drivers/teachers will be notified. Due to over-crowding on the buses, students are not allowed to ride the bus with other students.

Assessments/Report Cards/Progress Reports:

We do encourage frequent communication between the school and home and vice versa.

Parents/guardians will receive a quarterly report card of their child's progress. Additionally, mid-quarter reports will be issued if needed to keep you informed of your child's progress. Parents/guardians also have on-going access to TeacherEase, our student management system, to check their child's academic progress.

Further, you are encouraged to schedule a conference anytime that you see a change in your child's progress. Bringing home school papers that show incomplete work, many corrections, or poor grades are all reasons why you should contact your child's teacher. Also, if you see a significant change in your child's study habits, attitude, or behavior, please schedule a conference with his/her teacher.

Student progress is assessed and reported in a variety of ways.

1. **Progress reports** – sent home at the midpoint of each nine weeks for all students who are having academic problems or for those the teachers feel the parents should be notified. Parents are to examine, sign and return the progress reports to the homeroom teacher.
2. **Report Cards** – issued at the end of each nine-week period for K-8 students. The report cards are sent home with the students. Parents are to examine, sign and return the report card to the homeroom teacher.
3. **Local and State Testing** – Students are assessed through local (including but not limited to daily work, quizzes, tests, etc.) and state testing. Students in grades 3-8 participate in annual state standardized testing.
4. **RTI** – Students in grade K-8 are assessed through local-normed, state-normed, nationally-normed and/or scientifically based/standardized measures. These reports are sent home by mail three (3) times per year for parents to review.

Please note the assessment dates on the school calendar. We also ask that students make an extra effort to be at school, prepared to take any assessments that are being completed at various times of the year. Students should come prepared and well-rested.

School Visitation Rights:

The School Visitation Rights Act permits employed parents/guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences. Letters verifying participation in this program are available from the school office upon request.

Book Bags and Purses:

Students in grades 5-8 will NOT be allowed to carry book bags or purses from class to class during the day. Students are allowed to bring them to and from school. Book bags and purses should be stored in the student's locker during the school day. Riverview CCSD #2 is not responsible for lost, stolen, or damaged personal belongings.

Bus Designated Stops:

Each student has **one permanently assigned bus stop for morning pick-up and one bus stop for afternoon drop-off.** (i.e. AM pick-up at home and PM drop-off at the babysitters-but every day should be the same.) These designated bus stops must be given prior to the beginning of the school year. If during the school year, permanent changes need to be made, please contact the office. If a change needs to occur because of an emergency, we ask that you call the school office to make arrangements. **Please call NO LATER than ONE (1) HOUR prior to dismissal of school.**

Please DO NOT email or send notes to the teacher directly, as changes need to be approved by the office, and then bus drivers/teachers will be notified.

Bus Transportation:

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. **Other students are not permitted to ride the bus.** Exceptions must be approved in advance by the office.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the administrator.

Parents will be informed of any and all inappropriate student behavior on a bus. Parents are encouraged to discuss bus safety and appropriate behavior with their children before the beginning of the school year and regularly during the year.

In the interest of the student's safety and in compliance with State law, students are expected to observe the following rules:

1. Choose a seat and sit in it immediately upon entering the bus. Do not stand in the entrance or in the aisle.
2. Do not move from one seat to another while on the bus.
3. Keep all parts of the body and all objects inside the bus.
4. Loud conversations, singing, boisterous conduct, unnecessary noise or profanity is not allowed.
5. Enter and exit the bus only when the bus is fully stopped.
6. All school rules apply while on the bus and await instructions from the bus driver.
7. Use emergency door only in an emergency.
8. In the event of emergency, stay on the bus and await instructions from the bus driver.
9. Good behavior and behavior that will not distract the bus driver from operating the bus safely is required. Crowding, pushing, scuffling, and other needless commotion are grounds for disciplinary action.
10. Do not open windows below the black line indicated directly beside the window.
11. Keep the bus neat and clean.
12. Athletic footwear equipped with cleats or spikes should not be worn on the bus.
13. Inappropriate behavior will be reported to school authorities and failure to observe safety rules may result in suspension from bus services.
14. Be waiting at your bus stop on time(buses can run up to 5(five) minutes early).
15. Never tamper with, damage, or deface anything in or on the bus, or any of the bus or school equipment.
16. Keep book bags, books, packages, coats, and other objects out of the aisles. Keep all body parts clear of the aisles when seated.
17. Eating and drinking are not permitted on the bus.
18. Parents will be liable for any defacing or damage students do to the bus.
19. Students are not permitted to use cell phones on the bus unless approved by administration.

Students may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct. If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Video cameras may be active on buses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact: Daren Lowery, Superintendent/Principal

Cellular Phones/Electronic Devices/Non-Academic Materials:

K-4th Grade

Materials brought to school are to be class related items only. Items such as cellular phones, iPods, trading cards, electronic equipment, comic books, stuffed animals and other toys are **NOT** permitted unless requested by the teacher or permission was given by the Superintendent/Principal.

Grades K-4 students are NOT to bring cell phones to school. The office may allow exceptions, with the understanding that the phones will be kept in the office.

5th-8th Grade

The use of any cellular communication devices by a student is restricted. All devices are to be turned off when entering the building, kept in the student's locker throughout the school day, and can be turned back on after exiting the building. In the event that these items cause a disturbance, they will be confiscated and returned to the parents.

Cellular phones may be used with permission of a teacher, coach, or sponsor for a specific purpose.

Closed Campus:

District #2 practices a closed campus policy. This means that students are not permitted to leave campus at any time during the school day. The parent/guardian will be required to sign the student out in the office, and the student must report to the office on returning to school. Students are NOT permitted to leave with other students or other students' parents/guardians.

Once a student arrives at school, the student will not be allowed to leave without a parent or guardian signing him/ her out in the office.

Care of Students with Diabetes:

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school administrator. Parents/guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

For further information, please contact the Building Administrator.

Students with Food Allergies/Asthma:

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the school office. A physician's note for the food allergies or other allergies must be on file.

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the administrator at 309-822-8550.

Dental Examination

All children entering Kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist by May 15 of the current school year. Student Medication:

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "Student Medical Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form (complete with doctor's signature) is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

A student may possess an epinephrine auto-injector (EpiPen) and/or an asthma inhaler prescribed for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed an Authorization for Student Self-Medication Form. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of student's self-administration of an epinephrine auto-injector and/or the storage of any medication by school personnel.

- Medication will be administered to students in the office.
- Parents/guardians of the child must assume responsibility for informing the principal of any change in the child's health or change in medication.
- The school district retains the discretion to reject requests for administration of medication.

- Non-prescription medications shall be brought in with the manufacturer's original label with the ingredients listed and the child's name affixed to the label.
- A medical authorization form (copies are available from the office) is required for all non-prescription medication.

The school principal or certified designee will:

If your student has a chronic illness or disease such as asthma, diabetes, seizures, severe allergies or food allergies, please contact the school office to complete an Emergency Action Plan (EAP) or Individual Health Care Plan (IHCP) to assist school personnel in caring for your child in the event of an emergency situation at school.

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school nurse if they suspect their child has a communicable disease.

3. The school will provide written instruction to the parent and guardian regarding appropriate treatment for the communicable disease.
4. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student's doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

This domain is a registered name and identifies the author as being with the School District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the School District. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.

Discipline Philosophy:

The philosophy of discipline at Riverview CCSD #2 is to work directly with the students and parents to resolve conflict before it becomes problematic, as well as to work towards improving behavior. We intend to provide a strong incentive for students to demonstrate high personal standards and good citizenship at all times. We intend to encourage honesty and personal integrity in our students as a preeminent value.

The faculty and staff of Riverview Grade School have the responsibility of maintaining discipline in the school. Students are expected to behave in an appropriate manner, displaying respect for their peers, school personnel, and themselves.

Students who violate RGS policies or rules will face disciplinary action. All disciplinary actions will follow procedure and guidelines consistent with district policy, behavioral intervention plans, IDEA, Illinois School Code, and current case law. All school personnel have the authority to stop misbehavior and to notify the Superintendent/Principal of violations of policies or expectations. A disciplinary record for all students is kept in the principal's office.

Any misconduct by a student not covered by this handbook will be handled by the Superintendent/Principal. Students enrolled at Riverview CCSD #2 have many opportunities for academic success through various methods. Riverview CCSD #2 is a Kindergarten through 8th grade academic center.

K-5th grade consists of self-contained classrooms. This means that one teacher services the basic subject offerings in those grade levels (Math, Reading/Literature, Social Studies, Science, and Language Arts). Students also receive supplemental instruction that may include: music, art and computer education. Students in grades K-5 also have a weekly library time when books can be checked out. 4th grade will be introduced to recorders in music class. Student in grades K-5 will have instruction in Physical Education, 5 days a week.

Extra-Curricular/Athletic Eligibility:

The Athletic Code applies to all students who want to participate in athletics. Athletics includes competitive sports, extracurricular activities, and cheerleading. This code applies in addition to other rules and regulations concerning student conduct and imposes additional requirements on student athletes and cheerleaders.

Participation in athletics is a privilege. Those who participate in athletics have a responsibility to favorably represent the school and community. Student athletes are expected to conduct themselves both in and out of school in a manner appropriate to their responsibilities as representatives of the school and district. If a student fails to comply with the terms of this code, the privilege to participate in athletics may be lost in accordance with the terms of this Athletic Code.

IESA

Eligibility for most athletics is also governed by the rules of the Illinois Elementary School Association and, if applicable, these rules will apply in addition to this Athletic Code. In a case of a conflict between IESA and this Athletic Code, the most stringent rule will be enforced

Requirements and Eligibility:

Athletic Fee

There is a \$25 participation fee for each extra-curricular activity or athletic activity and a cap of \$75 per child. Fees for each extra-curricular activity will be paid prior to official participation. If the fee is not paid, the student will NOT be permitted to participate until the fee is paid. No refunds will be given to the parent if a student does not complete the session. If the fee is not paid, the student will NOT be permitted to participate in any activity until the fees are paid.

Written Permission

Obtain written permission from parent/guardian for participation by completing the form and waiver of responsibility of the risks involved. The waiver includes proof of insurance and concussion protocols and must be signed and on file in the district office. Both parent/guardian and student must sign I.E.S.A. Sportsmanship Agreement form and on file in the district office. Both parent/guardian and student signed athletic permit card on file in the office before the child is allowed to **tryout, practice or participate** in the activity.

Physical Examination Required

The I.E.S.A. requires a Certificate of Physical Fitness from a licensed medical professional no more than one (1) year prior to the first practice session for baseball, softball, basketball, volleyball, cross-country, cheerleading and track. Forms are available in the office or from licensed medical professionals. A certified copy of the student's birth certificate must be on file in the office.

In order for a student to participate in evening/weekend extra-curricular activities, athletic activities or activities sponsored by the school, a student must be IN attendance for a minimum of one-half of the school day the day of the event or one-half of the school day prior to the weekend event. The Principal/Superintendent may grant exceptions for special or unusual circumstances.

Academic Standard

To participate in any extra-curricular activity and/or athletics activity, students must maintain academic eligibility. On a regular school week, eligibility will be determined on Friday of the current week, using all grades entered for the current grading period (9 weeks), up/to and including Friday. On a regular school week, students and parents will be notified on Friday of the current week, via the coach of eligibility to participate during the next week, Monday through Saturday. Students with work outstanding for approved and excused absences are excluded from eligibility determination and may attend extra-curricular activities and/or athletics activities.

Any of the following will make a student ineligible:

- One (1) failing grade in any subject

Once eligibility has been run for the week, students will not have their eligibility changed. Eligibility status will stay the same throughout the week until a new eligibility is run. If a student is ineligible the week before a vacation he/she will be ineligible the entire vacation.

Behavior Standard

To participate in any extra-curricular activity, students must demonstrate high personal standards and good citizenship at all times. Further disciplinary actions during extra-curricular activities resulting from detentions and suspensions will be at the discretion of the coach or sponsors.

Misconduct by student-athletes will not be tolerated. Misconduct shall include but shall not be limited to:

- a. Insubordination; or
- b. Any behavior or action which is negligently or intentionally injurious to a person or property or which places a person or property at risk of injury or damage; or
- c. Any behavior which disrupts the appropriate conduct of a school program or activity; or
- d. Hazing, bullying, or harassment of any kind; or
- e. Use of profanity; or
- f. Exhibition of bad sportsmanship; or
- g. Misconduct on the bus; or
- h. Violation of any school rules or regulations or law.

Coaches and school officials will impose disciplinary measures appropriate to the offenses committed. The discipline imposed for any particular offense shall be at the sole and exclusive discretion of the coaching staff and school officials.

Loss or Abuse of Equipment and/or Uniforms

Participants in extra-curricular activities or athletics are responsible for the uniforms and/or equipment issued to them by the coach. Equipment/uniforms must be maintained and cleaned before returning to the coach. Loss or abuse of school items will result in the participant being assessed the replacement cost of the item. Participants will only be issued uniforms if the uniform from the previous season has been returned or paid for.

Rules in Effect

The rules set forth in this Athletic Code are in effect throughout the calendar year and twenty-four hours a day, whether or not school is in session and including vacation periods, and holidays. The rules apply on and off campus and whether or not the misconduct occurs at school or a school-sponsored activity or in some other locale. The rules apply from the beginning of the athlete's first tryout or practice in the first sport which the athlete attempts until the completion of the athlete's athletic eligibility in all sports.

Student Athlete Concussions and Head Injuries:

A student athlete who exhibits signs, symptoms, or behaviors consistent with a concussion in a practice or game will be removed from participation or competition at that time. A student athlete who has been removed from an interscholastic contest for a possible concussion or head injury may not return to that contest unless cleared to do so by a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer. If not cleared to return to that contest, a student athlete may not return to play or practice until the student athlete has provided his or her school with written clearance from a physician licensed to practice medicine in all its branches in Illinois or a certified athletic trainer working in conjunction with a physician licensed to practice medicine in all its branches in Illinois. A **signed concussion** information form must be on file annually in the school office prior to a student participating in any IESA sport.

Cross-reference: PRESS 7:305, *Student Athlete Concussions and Head Injuries*

Fees – Book, Library, Extra-Curricular/Athletic Activity:

All textbooks, workbooks, and other required materials are rented or sold to parents at an annual fee as determined by the Board of Education. Book fees should be paid at the time of registration or special arrangements made at that time. Students will be assessed a fee for any damaged or lost library books and textbooks. Fee waiver or reduction information is available in the office.

Library books are expected to be returned in the same condition they were in at the time of checkout. Students must return books at the PROPER time so that others may enjoy them. Failure to return books on time will result in loss of library privileges until the missing books are returned. Any lost or damaged books will result in a letter being sent home requesting payment in the amount of the replacement value of the book. Report cards will not be issued to students with missing library books or library fees due from lost or damaged books.

There is a \$25 participation fee for the first extra-curricular activity or athletic activity and a cap of \$75 per child. Parents will be required to pay the fee prior to the official participation. If the fee is not paid, the student will NOT be permitted to participate until the fee is paid. No refunds will be given to the parent if a student does not complete the session. If the fee is not paid, the student will NOT be permitted to participate in any activity until the fees are paid.

Fines, Fees, and Charges - Waiver of Student Educational Fees:

The school establishes fees and charges to fund certain school activities, including field trips, class fees, and sports. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Parent or guardians of students, who are unable to afford student educational services or academic fees, may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, P.E. uniform, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. A student is eligible for a fee waiver if the student currently lives in a household that meets the income guidelines, with the same limits based on the household size, that are used for the federal free meals program.

The administrator will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Seasonal employment;
- Emergency situations; or

- When one or more of the parents/guardians are involved in a work stoppage.

Within 30 days, the administrator will notify the parent/guardian if the fee waiver request has been denied, along with the appropriate appeal process. If you have questions regarding the fee waiver process, you may contact the administrator at 309-822-8550. Any and all fees incurred by the school district associated with the collection of any fees will be the parents' responsibility.

Field Trips:

Field trips are a privilege for students. Students must abide by all school policies during transportation and during field trip activities, and shall treat all field trip locations as though they are school grounds. Failure to abide by school rules and/or location rules during a field trip may subject the student to discipline.

Field trips are an integral part of the school curriculum and contribute to the districts educational goals. For school events, the sponsor of the activity will supervise school field trips and after-school functions. Students who have repeated or severe behavior concerns may lose field trip privileges as a consequence. If any student exhibits severe misconduct before a field trip, parents will be notified of loss of field trip privileges.

Energy drinks (such as Red Bull, Monster, Rockstar, Venom, etc.) and soda of any kind are NOT allowed on field trips unless otherwise approved.

Students are to ride the school bus or school provided transportation to and from the field trip. The student must remain with their class during a field trip. They may not leave the field trip with a parent chaperone.

Based on the needs of the class, the teacher or sponsor determines the number and selects the individuals who will chaperone field trips. Only those asked to chaperone may accompany the class on the bus during the field trip. **Chaperones may not bring other children on the field trip.** Chaperone who does not follow the guidelines set forth by the teacher or the handbook may forfeit the chance to chaperone in the future.

Parents/guardians must sign the school's Handbook Acknowledgement and Consent Form to give permission for their child to attend field trips.

The 8th grade class trip is a privilege, not a right. Additional guidelines will be sent to 8th grade parents and forms must be signed and returned to the 8th grade class sponsor in order for the 8th grade student to be eligible to attend the field trip.

Students may be prohibited from attending field trips for any of the following reasons:

- Failure to receive appropriate permission from parent/guardian or teacher;
- Failure to complete appropriate coursework;
- Behavioral or safety concerns;
- Denial of permission from administration;
- Other reasons as determined by the school

Homework Policy: 

The teacher of each classroom will determine the rules, enforce them, and follow the handbook. The policy will be distributed the first week of school. The homework policy will follow the same rules as make-up work as outlined in the handbook.

Make-up/Absence Homework Policy (K-8)

All work missed during a student’s excused absence shall be made up by the student. The **student** must ask their teacher(s) for

your assignments on the first day you return to school. Students are given two school days for each day absent to complete assignments. For example, if the student is gone on Monday and back on Tuesday, the assignments will be due Thursday during that class.

An unexcused absence could result in the student receiving a "F" for any/all work that cannot be made up or is not made up. In cases of unexcused absences, all work shall be completed in a timely manner. If work is not made up within the specified time period, refer to the Junior High Homework Policy (See Below).

If a student's absence extends two days or more, assignments may be requested by the parent and then collected by the office. Such requests should be made by 9:00 a.m. on the day they are to be collected. Parents may collect the work from the main office after 3:00 p.m. on the day of the student's absence. The same procedure shall apply for subsequent absences.

Any time that a student knows in advance that he/she will be absent from school for an extended period of time due to unavoidable reasons, parents must contact the Superintendent/Principal. Requests for advance assignments may be made. Students will be given the opportunity to complete all missed assignments upon their return. Students receiving an advanced absence shall be given no more than 2 school days upon return to complete assignments.

Junior High (5-8) Homework Policy:

- Assignments will be due at the time designated by each individual teacher. For example, in math class, assignments are due at the time when the teacher picks up assignments at the start of the class period. Other teachers may request that assignments are turned in by the conclusion of the class period.
- The only exception would be for a student's excused absence. For every one day of excused absence, the student will have 2 school days to turn in the completed assignment(s). For example, if student A is absent on Monday and back at school Tuesday, student A will have until Thursday to turn in his/her assignment(s).
- For unexcused absences any assignments due that day will be expected to be turned in the day the student returns. Assignments given the day of the unexcused absence will be due on the original stated due date.
- Finally, the 3 missing/late assignments minor infractions behavior policy per classroom will still be intact. Students may be referred for interventions at this point. Students with missing homework assignments will be assigned to Lunch Bunch during their lunch time to make up assignments. Lunch Bunch meets daily during junior high lunch time. Students will be assigned to Lunch Bunch until all assignments are complete.
- Students are given an assignment notebook to record all assignments. Students are expected to use their notebook and parents are encouraged to check the notebook nightly.

Equivalent Instruction:

A student whose projected period of absence from school shall be for more than two (2) consecutive weeks because of health, physical impairment or pregnancy, shall be provided the services of a certified teacher in the home or hospital. Appropriate educational services shall begin as soon as eligibility has been established with a written statement from a licensed medical examiner and a written parental or guardian request filed in the office of the Superintendent. The instruction course shall be designed to offer educational experiences that are equivalent to those given to pupils at the same grade level in the district and that are designed to enable the pupil to return to the classroom.

Library Conduct and Rules:

Library books must be checked out using the computer system. Do NOT remove books from the library without the librarian present. Library books are expected to be returned in the same condition they were in at the time of checkout. Students must return books at the PROPER time so that others may enjoy them. Any lost or damaged books will result in a letter being sent home requesting payment in the amount of the replacement value of the book. Report cards will not be issued to students with missing library books or library fees due from lost or damaged books.

At the end of library time – lineup and wait to be dismissed to return to your classroom. When traveling to and from the library students must be quiet and orderly, as others are still in their classes.

Lockers:

Each student in grades 5th-8th will be issued a locker for his/her books and personal belongings. These lockers may change annually. Lockers are to be used only by the person that is assigned to that locker. The combinations should be kept private for the security of the individual's belongings. Students are not to place stickers or other permanent marks on lockers. Students shall keep the lockers clean and well-maintained.

Students in grades 6th – 8th will be furnished, at no charge one locker for their P.E. articles. Combination locks will be issued for the PE lockers by the school and **MUST** be used on the lockers. If a student loses or damages a lock a replacement fee of \$6.00 will be assessed. There should be no expectation of privacy in these lockers. Lockers are school property, district owned, and therefore they may be examined at any time by authorized personnel. Food should not be stored in lockers at any time. The only exception to this rule is if a student brings their lunch and it is in a proper unopened container.

Asbestos Notice

To the best knowledge of District #2, all asbestos containing materials have been removed from all buildings in the District. However, in accordance with Illinois law, this notice is to inform building occupants of the potential hazard asbestos containing materials could pose. It has been determined by the Illinois Department of Public Health and the Federal Environmental Protection Agency that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

In the event any asbestos containing materials are located in any building in the future, any evidence of disturbance or change in condition will be documented in the Management Plan as required by law. Cleaning and maintenance personnel, who have been trained in identification of asbestos containing materials and recognize the danger of asbestos, would take any special precautions necessary to properly clean up asbestos debris and guard against disturbance of the asbestos containing materials, although no asbestos is believed to be present in any District building. If necessary, however, measures will be taken when needed to protect the health of building occupants.

If you believe that the District has violated your rights under FERPA, you have the right to file a complaint with the US Department of Education. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C. 20202-4605.

Should it be determined at a hearing of the Board of Education that a student attending the District's schools is not a resident of the District, pursuant to Illinois law, the school must charge tuition for that student. Moreover, willfully and knowingly providing false information regarding a student's residency in order to avoid payment of tuition can constitute a criminal offense. Questions about student residency and tuition may be directed to the Superintendent.

Social Work Services:

The school provides social work services for students. The school's social worker is available to those students who require additional assistance.

Student Records:

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings that are created in part for law enforcement, security, or safety reasons or purposes; and electronic recordings made on school buses.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's school records. They are:

1. The right to inspect and copy the student's education records within 15 school days of the day the District receives a request for access.

The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent/guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. The principal will make arrangements for access and notify the parent/guardian or student of the time and place where the records may be inspected. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost.

These rights are denied to any person against whom an order of protection has been entered concerning the student.

2. The right to request the amendment of the student's education records that the parent/ guardian or eligible student believes are inaccurate, irrelevant, or improper.

A parent/guardian or eligible student may ask the District to amend a record that is believed to be inaccurate, irrelevant, or improper. Requests should be send to the building principal and should clearly identify the record the parent/guardian or eligible student wants changed and the specific reason a change is being sought.

If the District decides not to amend the record, the District will notify the parent/guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

3. The right to permit disclosure of personally identifiable information contained in the student's education records, except to the extent that the FERPA or Illinois School Student Records Act authorizes disclosure without consent.

Disclosure without consent is permitted to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or any parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the parents/guardians or eligible student will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records.

Academic grades and references to expulsions or out-of-school suspensions cannot be challenged at the time a student's records are being forwarded to another school to which the student is transferring.

Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent/guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; and juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student.

4. The right to a copy of any school student record proposed to be destroyed or deleted.

The permanent record is maintained for at least 60 years after the student transfers, graduates, or permanently withdraws. The temporary record is maintained for at least 5 years after the student transfers, graduates, or permanently withdraws. Temporary records that may be of assistance to a student with a disability who graduates or permanently withdraws, may, after 5 years, be transferred to the parent/guardian or to the student, if the student has succeeded to the rights of the parent/guardian. Student temporary records are reviewed every 4 years or upon a student's change in attendance centers, whichever occurs first.

5. The right to prohibit the release of directory information.

Throughout the school year, the District may release directory information regarding students, limited to:

- Name
- Address
- Gender
- Grade level
- Birth date and place
- Parent/guardian names, addresses, electronic mail addresses, and telephone numbers
- Photographs, videos, or digital images used for informational or news-related purposes (whether by a media outlet or by the school) of a student participating in school or school-sponsored activities, organizations, and athletics that have appeared in school publications, such as yearbooks, newspapers, or sporting or fine arts programs
- Academic awards, degrees, and honors
- Information in relation to school-sponsored activities, organizations, and athletics
- Major field of study
- Period of attendance in school

Any parent/guardian or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the building principal within 30 days of the date of this notice.

6. The right contained in this statement: No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

7. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

RTI (Response to Intervention) –Reading/Math/Behavior:

A Response to Intervention (RTI) model for Reading, Math, and Behavior applies a three-tiered system of support and a problem-solving process to enhance the capacity of schools to effectively educate all students.

Reduce use of reactive discipline measures in schools (e.g. office discipline, referrals, improvement period, Saturday school, suspensions, expulsions) for all students.

Implement effective intervention plans for students with the most comprehensive behavioral/emotional needs that support and evaluate their success across home, school, and community.

RGS follows the PBIS model as a positive approach to reduce discipline referrals by rewarding the students for displaying positive behaviors. Daily, weekly, and quarterly rewards are given for following the RGS behavior matrix.

Positive Behavior Interventions and Supports (PBIS) is a proactive systems approach to establishing the behavioral supports and social culture needed for all students at RGS to achieve social, emotional, and academic success
