EMERGENCY AND ALERT NOTIFICATION SYSTEM

Keeping you informed is a top priority at Riverview CCSD #2. That's why we have adopted the Blackboard Connect Notification Service which will allow us to send a telephone, text or e-mail message to you providing important information about school events or emergencies. We anticipate using Blackboard Connect to notify you of school delays or cancellations due to inclement weather, as well as to remind you about various events, including report card distribution, open house, field trips, and more. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately by telephone, text and/or e-mail.

What you need to know about receiving calls sent through Blackboard Connect

- Caller ID will display the school's main number when general announcement is delivered.
- Caller ID will display 411 if the message is a dire emergency.
- Blackboard Connect will leave a message on any answering machine or voicemail.
- If the Blackboard Connect message stops playing, press any key 1-9 and the message will replay

The successful delivery of information is dependent upon accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

ALERT & EMERGENCY NOTIFICATION SYSTEM Continued.....

Note that all phone numbers will be called for standard and emergency calls and will be dialed simultaneously.

Photographing/Video Taping: Students may be photographed or videotaped at school. Photographs may be used in the yearbook, local newspapers, school/teacher websites, displayed in the building, or for the purpose of grant reports. RGS uses video cameras in various places around the school campus and on the school buses to help ensure the health and safety of our students and staff. As a parent, I agree to allow my child to be videotaped or his/her picture taken as a part of the school procedures.
