### 2013-2014 Parent Consent Statement

**Photographing/Video Taping:** Students may be photographed or videotaped at school. Photographs may be used in the yearbook, local newspapers, school/teacher websites, displayed in the building, or for the purpose of grant reports. RGS uses video cameras in various places around the school campus to help ensure the health and safety of our students and staff. Videotapes may be used to help the school district maintain discipline, order, and safety for everyone. As a parent, I agree to allow my child to be videotaped or his/her picture taken as a part of the school procedures.

**Field Trip Consent:** Field trips are an integral part of the school experience. A notice of the event will be distributed before the event, in the case that parents wish to exclude their child from participation. I grant permission for my child to participate in field trips sponsored by Riverview Grade School. I further authorize supervising Riverview Grade School personnel to act as an agent for my child and to use his/her judgment and discretion in obtaining medical care, as he/she deems necessary for the welfare of my child while on the field trip.
